

Audit Log

There is an Audit log to see who edited what at what time. You can access this Audit log from System > Security > Audit Log.

The screenshot displays the 'Audit Log' window in the PoliceBook - TRAINING application. The window title is 'PoliceBook - TRAINING' and it shows a navigation pane on the left with options like Home, Sign Out, Address Book, Acquisitions, Disposals, Police Book, Test Drives, Inspections, and Tools. The main area is titled 'Audit Log' and contains a search bar with 'Text' input, 'Start Date' (28/10/2025), and 'End Date' (28/11/2025). Below the search bar is a table of audit entries. The table has columns for 'Audit Type', 'Audit Date', 'Audit Source', 'Audit Source Re...', 'Audit Field Name', 'Audit ...', 'Audit ...', 'Fullname', and 'Staffid'. The entries are listed in descending order of date, starting from 28/11/2025. The interface also includes a 'Refresh' button and a 'Search' input field. At the bottom of the window, there is a status bar showing 'Online - Administrator (44)', '1.115.66.114', and 'Registered: TRAINING (30/08/2052)'.
