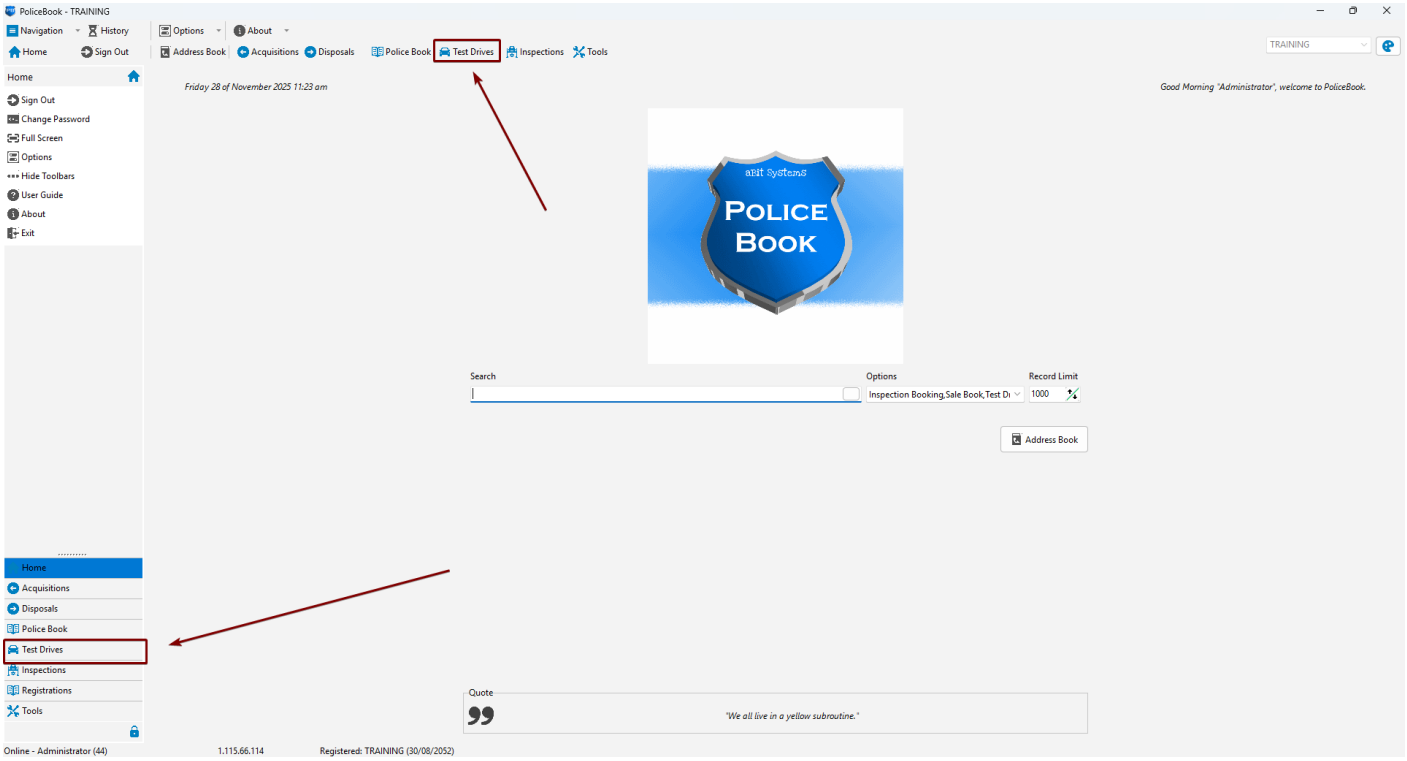
Basics

Accessing Test Drives

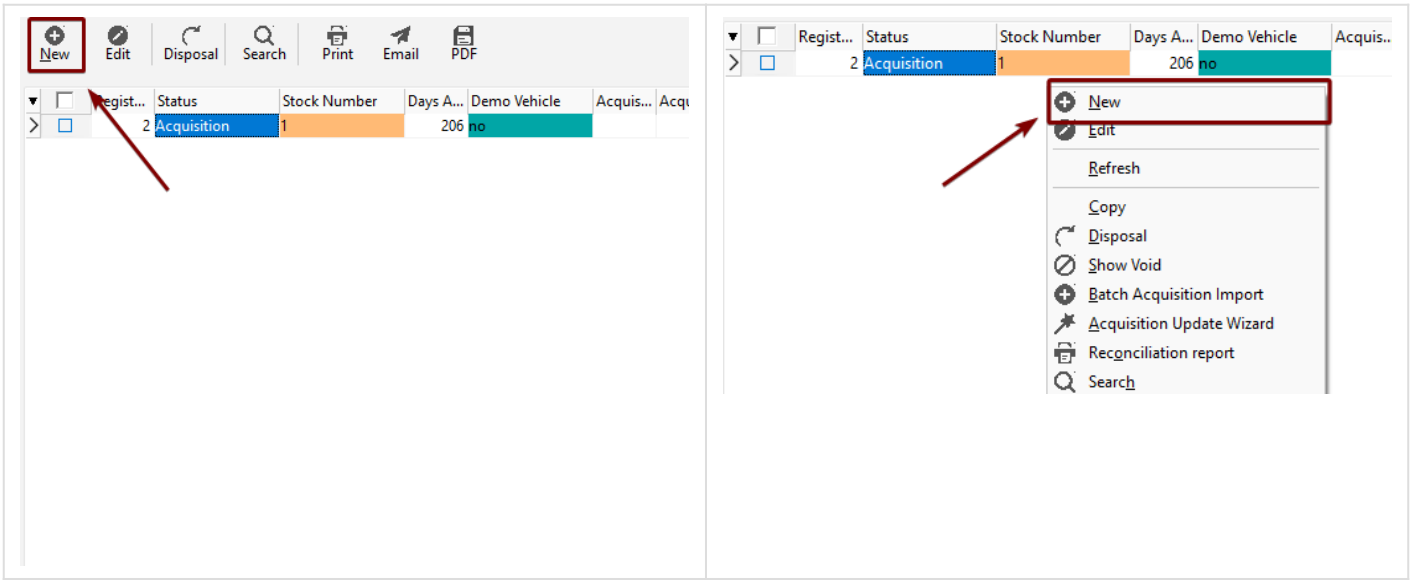
You can access the Test Drives page by clicking the Test Drives button in the top toolbar, or the Test Drives button in the left-side navigation menu.



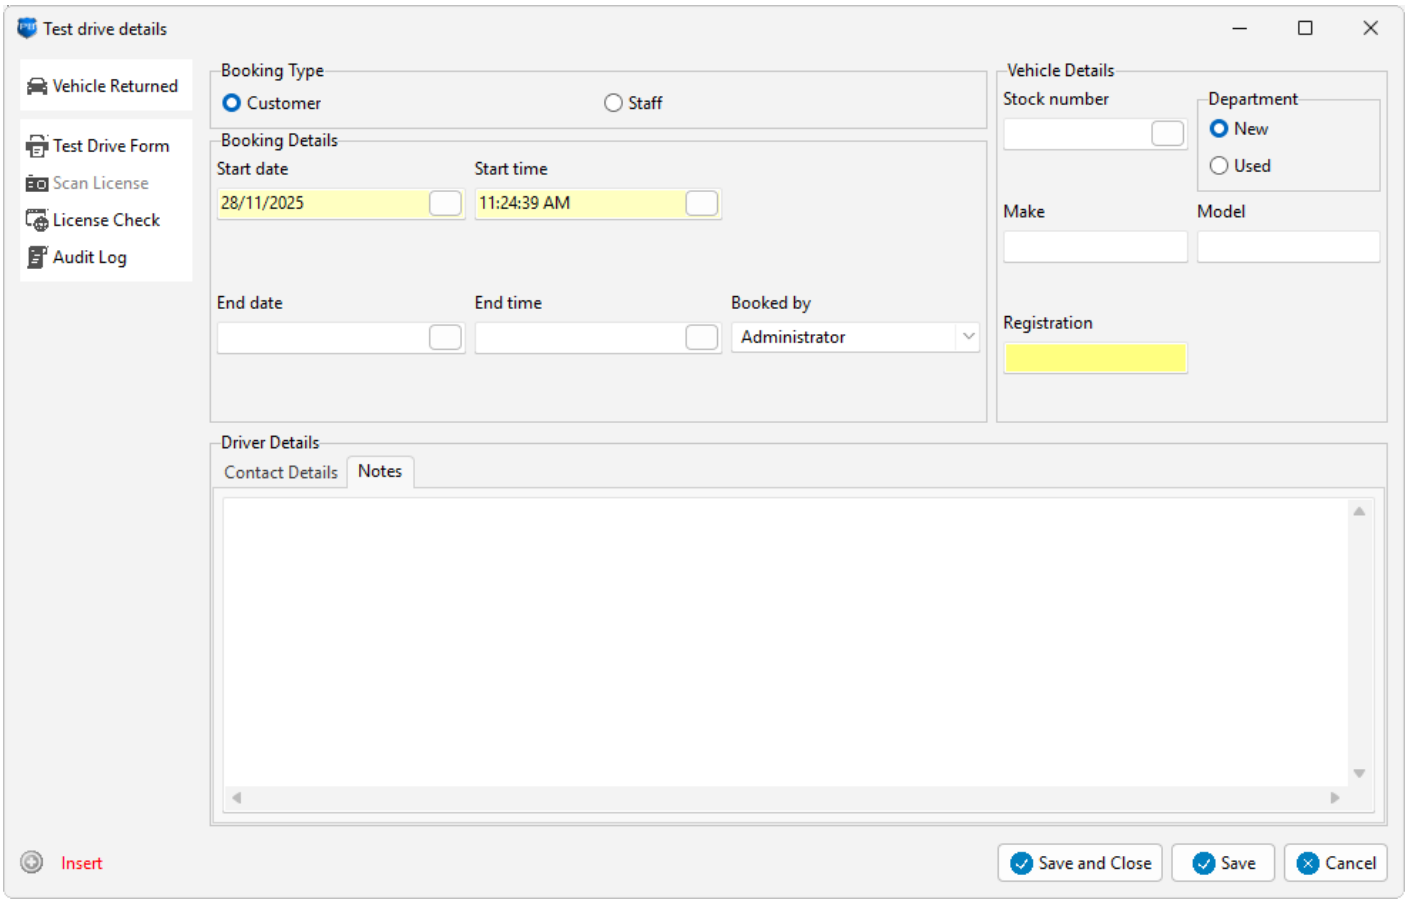
Creating a new Test Drive entry

You can create a new Test Drive entry by clicking "New" in the Test Drive toolbar, or by right-clicking and clicking the "New" Menu Item.

Toolbar	Right-click



You will get a blank form to fill in data. Yellow fields are mandatory, white fields are optional.



Editing an existing Test Drive entry

You can edit an existing test drive entry by selecting the test drive you want to Edit, and click "Edit" in the toolbar, or by right-clicking the test drive and clicking the "Edit" menu item.

You can then change whatever you like from there.
